To : All Heads of Schools

Dear Principal,

Subject : Result of the Council's Diamond Jubilee Logo Designing Competition

The Council had organized a Logo design competition in December 2017 to commemorate its Diamond Jubilee Year in 2018. The selected logo was to be used in all documents, certificates and website of the Council during the diamond jubilee year. Students of Classes 6 to 12 were invited to participate in this competition.

Numerous entries were received at the office of the Council within the stipulated time period. All entries were screened, reviewed and shortlisted and the final selection was made by an art expert, especially called to Delhi for the purpose of selecting the winners.

While the Council is appreciative of the interest and effort made by the students, it was disappointing to note that an acceptable standard of creativity and design was not received. **The Executive Committee after deliberation, decided that since the Logo designs submitted by the students were not of a suitable standard, the logos would not be used as intended by the Council nor the prize money distributed. However, it was decided that the best five entries would be given a consolation prize of a tablet/kindle each for their enthusiasm and effort.** The Heads of schools of the consolation prize winners will be informed in due course of time.

With warm regards,

Yours sincerely,

Gerry Arathoon
Chief Executive & Secretary
