To: All Heads of CISCE Affiliated Schools

Dear Principal,

Subject: Third Batch of NISHTHA Courses on DIKSHA Platform for Secondary Level teachers (Classes IX to XII)

This is with reference to the NISHTHA Secondary online Courses for CISCE teachers (Classes IX to XII), being offered on the DIKSHA Platform.

Please note that the **Third Batch** of NISHTHA Courses will be made available on **1st October 2021**. You are requested to ensure that all teachers of your school from Classes IX to XII, register themselves on the DIKSHA Platform and join the NISHTHA courses.

For the links to these courses and other important details for registering on the DIKSHA Platform for the NISHTHA Courses, kindly refer to **Annexure 1** attached herewith. You are requested to share the same with all concerned. The schedule and links for these courses are also available on the CISCE website.

The third Batch of NISHTHA courses will close on **31st October 2021**. Hence, kindly ensure that the teachers enrol themselves and join the courses **before 25th October 2021** and **complete the courses before the last date, i.e., 31st October 2021**.

It has been observed that teachers from a number of CISCE affiliated schools are yet to register themselves on the DIKSHA platform/ start the NISHTHA Courses. You are requested to ensure that all teachers from your school (from Classes IX to XII) participate in this National level initiative and complete the NISHTHA Courses.

Teachers who have not yet started the NISHTHA Secondary Courses/were unable to complete the Courses, will get a chance to complete the remaining courses after the first cycle of NISHTHA Secondary Courses is over in December 2021. All Courses will be reopened (for a month) to enable teachers to complete the Courses and get the Course Certificates.

The NISHTHA Courses are designed to cover some of the focus areas of the NEP – 2020. It is recommended that Heads of schools also join and complete the NISHTHA Courses so as to develop a better understanding of the new initiatives in school education.
