

## **REQUIREMENT FROM BIDDERS FOR THE PROPOSAL**

### **OUR REQUIREMENT**

The Council for the Indian School Certificate Examinations (CISCE), New Delhi, a premier National Examination Board in the country invites proposals for Information Technology (IT) and Application Development and Maintenance (ADM) Services which are critical for smooth functioning of CISCE's operations and delivery of efficient services to our stakeholders which include school management, teachers and students. Details about the required services, selection criteria and process are available in a Request for Proposal (RFP) document which is available for download on our website.

### **BID SUBMISSION**

Bidders are requested to provide a detailed and comprehensive proposal that addresses all the requirements listed in the Request for Proposal (RFP) document in a manner that adheres to industry standard best practices.
