### **Subject: Unified District Information System for Education (U-DISE), 2016-17 Data Collection**

Dear Sir/Madam,

As you are aware that District Information System for Education (DISE) is a joint initiative of the Ministry of HRD & NUEPA to strengthen Educational Information System of in the Country. Through U-DISE, we collect school-specific information on a variety of parameters which are being used in planning, monitoring & implementation of Government's flagship programmes i.e. SSA & RMSA.

The scope of U-DISE was expanded to Secondary and Higher Secondary levels of education in 2012-13. Irrespective of management, all such schools are supposed to be covered under U-DISE. **You are requested to please write a letter addressed to Principals of Schools with a request to co-operate with the Cluster/Block Resource Centre Co-ordinators & MIS In-charges at Block & District levels & furnish complete information through the U-DISE 2016-17 format.** In addition, please provide us state-wise list of all schools which are recognized by your organization so as to ensure that data from all such schools are collected during U-DISE 2016-17.

We are planning to upload both the list of schools and letter on our website i.e. [www.dise.in](http://www.dise.in). I am confident that with your support, we shall reach all remaining schools imparting Secondary and Higher Secondary education across the country.

An early action is requested. Please visit [www.schoolreportcards.in](http://www.schoolreportcards.in) to view report cards of individual schools.

With kind regards,

Yours Sincerely

(Arun C. Mehta)
