CIRCULAR

Extension of Last Date for Submission of On-Line Applications for Scholarship Under Central Sector Scheme of Scholarship for College and University Students (CSSS)

It has been intimated by the Ministry of Human Resource Development, Government of India, that :-

- The number of online applications so far received for scholarship under MHRD-CSSS falls short of the quota for the respective State. This number will get further reduced considerably through the verification process.
- The last date for submission of online applications has now been extended twice giving more time to students to apply online. Online applications can now be submitted in the National Scholarship Portal (NSP) till 30th November 2016.
- Since the payment process has to be completed by 31st December, 2016 as stipulated by the Cabinet Secretariat (DBT Mission), it may not be possible now for any further extension of last date.

All eligible meritorious students who are in the top 20th percentile Merit List of the ISC (Class XII) Year 2016 Examinations and have not yet applied for scholarship under Central Sector Scheme of Scholarship for College and University Students (CSSS) are advised to do so without any further delay.

Col R Sreejeth (Retd.)
Deputy Secretary - IT

CISCE/Cir/DS-IT/2016

Date : 09 November 2016
