Subject - National Level Painting, Essay Writing & Quiz Competitions for School Children to promote awareness on Conservation of Petroleum Products, with Trip to Singapore, Laptop and Cash Prizes to be won.

Dear Sir,

Conservation of Petroleum products and environment protection is an important National Cause for our country. The Hon'ble Prime Minister, in his address in 'Mann Ki Baat' has called upon citizens, not to use Petrol or Diesel one day in a week.

It is our endeavour to reach out to young sensitive minds to carry forward the message of fuel conservation. We believe that this can be best achieved by giving opportunity to these creative minds to express themselves in colour and words. With this objective in mind, Petroleum Conservation Research Association (PCRA) has been successfully conducting competitions on a national level for school children with your cooperation.

The national level winners are felicitated in a grand function at Delhi by Hon'ble Minister of Petroleum & Natural Gas and are also taken on a foreign trip.

This year, we target to reach every nook and corner of the country. A nationwide painting competition in 2 categories, Essay competition in 23 Languages, and a quiz competition, have been launched, commencing from 15 July 2017. A Web Portal and a Mobile App for schools to participate in the above competitions have been developed. Detailed instructions for conducting the competitions are available on this portal www.pcracompetitions.org and are also attached herewith.

The awards for the competition have been made very attractive this year in the form of Cash Prize, Laptops, and a study tour to Singapore. We shall indeed be grateful if you issue suitable instructions to the concerned officers to ensure enrolment of every school with PCRA and to ensure conduct of the competition in every school. A personal follow-up at your level would boost the morale of officers involved in this process and ensure wider participation.
