

Conduct of JEE(Advanced) 2018 Examination only in Computer Based Test (CBT) Mode

Relevant extract of the letter of the Chairman, Joint Admission Board, JEE(Advanced) 2018 dated January 25, 2018 addressed to the Chairperson, Council of Boards of School Education in India (COBSE)

The JEE(Advanced) 2018 examination is going to be conducted only in Computer Based Test (CBT) mode. In order to familiarize the prospective candidates with the CBT environment and its functionalities, mock test and help videos for JEE (Advanced) 2018 have been prepared and uploaded at the official website of JEE (Advanced) 2018, <https://www.jeeadv.ac.in/>.

The prospective candidates can take the mock test, as many times as he/she wishes, to get himself/herself acquainted and acclimatized with the CBT environment and features. Furthermore, candidates can see the help videos and get all their doubts regarding the CBT clarified. The mock test and help videos are available at <https://www.jeeadv.ac.in/> and <https://www.jeeadv.ac.in/MockTest.html> as per the following details:

Mock Test:
