## Centenary celebration of Math founder nun

A STAFF REPORTER

Calcutta: When a student's shoe was stolen from Nivedita school, the headmistress asked students in the assembly to return it, not knowing who had taken it.

Children are prone to making mistakes but if the girl returns it she would bless the girl with a full heart and no one would get to know it, the headmistress told the school assembly.

The shoe was back the next day.

A former student of Pravrajika Shradhdhprana, the headmistress who was associated with the Ramakrishna Sarada Mission Nivedita Girls' School for 38 years, narrated the story in a documentary film that was screened before a packed Mahajati Sadan on Sunday as part of Shradhdhprana's 100th birth anniversary celebrations.

"She was a combination of many qualities. She was among the eight founders of Sarada Math. She, along with seven others, went to Belur Math and said they wanted to start the women's Math," Purba Sengupta, a researcher on Ramakrishna literature, said. To most people she was their loved "Lakshmi-dē".

Sengupta said Swami Vivekananda always wanted an order for women. Sri Sarada Math and Ramakrishna Sarada Mission, Dakshineswar, were thus established.

Shradhdhprana taught English in school. Before joining Ramakrishna Sarada Mission Sister Nivedita Girls' School, she had taught English at Annie Besant College in Varanasi.

"She ran the school in a very efficient way. Her personality was something that endeared her to everyone," Sengupta said.

Pravrajika Amalaprana, the secretary of Sri Sarada Math and Ramakrishna Sarada Mission, and Pravrajika Jnanadrapana, the assistant secretary of the math and the mission, were present at Sunday's programme, along with hundreds of nuns and disciples.

Many of the disciples stood in the aisles for want of space as the hall teemed with her admirers.

Two books related to Shradhdhprana were released on Sunday. One is her biography and the other a collection of her speeches and pictures.

"Her birthday was a few days ago. We'll carry on the centenary celebrations throughout the year," Gour Das, one of the organisers of the centenary celebrations, said.

## Spirit triumphs in jubilee run

FARAH KHATOON

Red Road: Some overcame physical limitations, some travelled a long distance and one disregarded fever to join a 5km run on Red Road on Sunday morning.

Not all heroes wear capes. Ritam Mukhopadhyay and Yashvi Surana of Akshar School wore calipers and schoolmate Mansi Shah joined them in her wheelchair as they took part in the Diamond Jubilee Marathon Race, presented by the Council for the Indian School Certificate Examinations in association with The Telegraph Young Metro.

"My strategy was to keep walking and it worked. I was excited and a bit scared, too, because it was my first run. But it gives me great joy to have finished the race," said Ritam, a student of Class VII who was born with Spina Bifida, a condition in which the spinal cord fails to develop properly. He wears a caliper and uses a crutch for support.

Yashvi and Mansi, too, were proud runners on Sunday.

Balichak station in West Midnapore at 3am on Sunday to board a train to Santargachhi. From there, the girls, their principal and some teachers took a bus to Red Road.

Warming up before the race, Ishita said: "This is the first time we are taking part in a run and we are all very excited. I woke up at 2am to get ready. Our teachers and principal sir are a big motivation."

Urvi Ray had high fever the night before but was determined not to miss the run. "I was feeling a little unwell at the start of the race but I just focused on running and eventually forgot about it. My parents encouraged me a lot as they themselves are sports enthusiasts," said the Class IX student of South International School who joined the race with 11 schoolmates.

The 5km race was flagged off from Red Road at 7am and ended at St Thomas' Boys' School, Kidderpore. Open to students of classes VI to XII, the run saw more than a thousand students and teachers taking part.

"This is the first time the council has chosen a run to celebrate an occasion. The response has been overwhelming. Since last year we have

been affiliated to the School Games Federation of India (SGFI) and we want to encourage sports among students," said Gerry Arathorn, the chief executive and secretary of CISCE, which conducts the ICSE and ISC examinations.

Sonali Sen, the principal of DPS Newtown, thanked the council for its student-centric approach to academics and co-curricular activities.

## Partha diktat on gherao

A STAFF REPORTER

Calcutta: The Trinamul Chhatra Parishad will refrain from principal gheraos and cultural programmes in "poor taste" in colleges, education minister and Trinamul secretary-general Partha Chatterjee said on Sunday.

"Today Partha da sat with the new TMCP committee, including the new president Trinankur Bhattacharya, and explained some dos and don'ts," a Trinamul insider said.

"The message was clear that the mother party cannot be kept in the dark about political movements in colleges... It was conveyed that gheraos of principals would not be encouraged," a party official said.

Last year, minister Chatterjee had to visit Charu Chandra College following a student unrest. Earlier this year, the principal of SA Jaipuria College was gheraoed for hours.

There have also been instances of video clips of TMCP-organised cultural programmes "in poor taste" going viral on social media.

"Partha da said these things would not be tolerated," the official said. The diktats were spelled out clearly, but party insiders wondered if they would be followed.
