To: All Heads of CISCE Affiliated Schools

Dear Principal,

SUBJECT: Reduction in Syllabus at the ICSE (Class X) and ISC (Class XII) Levels for the Examination Year 2022

This is further to the CISCE letter to Heads of Schools, dated 2nd July 2021, regarding its decision to review its existing syllabi at the ICSE (Class X) and ISC (Class XII) levels for the Year 2022 Examination in view of the **continuing pandemic situation and the difficulties being faced by schools in transacting the syllabus.**

On 2nd July, the CISCE had released the reduced syllabi for **English and Indian Languages** at the ICSE (Class X) and ISC (Class XII) levels, for the Year 2022 Examination, which were made available on the CISCE website www.cisce.org.

The CISCE is presently in the process of reviewing the syllabus of other subjects at the ICSE and ISC levels, specifically for Classes X and XII, for the Examination Year 2022, to identify portions of the syllabus which may be reduced, without compromising on the quality of content.

In addition to English and Indian Languages, the modified syllabi for the following subjects for the Examination Year 2022 are also now available on the CISCE website www.cisce.org under the PUBLICATIONS section:

-2-

You are requested to intimate all concerned regarding the ICSE and ISC Reduced Syllabi for the Year 2022 Examination.

The CISCE will continue with the process of syllabus reduction in the remaining subjects at the ICSE and ISC levels, in consultation with its subject experts. The same will be made available on the CISCE website soon.

As you are aware, we are in the midst of the pandemic, and there is uncertainty as to when schools across the country will be able to return to normalcy. It is reiterated that **the concerned subject teachers transact the syllabus strictly according to the sequence of topics given in the syllabus. This will ensure that all CISCE affiliated schools are broadly teaching the same topics at any given point of time as well as facilitate subsequent reduction in syllabus, if required.**

Further, please note that the **Project Work already completed/ initiated by the candidates in different subject/s, on topics which have been removed from the Syllabus, is to be accepted and marked.**

I look forward to your cooperation in this regard.

With warm regards,

Yours sincerely,

Gerry Arathoon
